

ACCOMMODATION IN COTTAGES

We do not provide accommodation for one night in cottages! The minimum stay is two nights. If you enter only one night in the online reservation system, the system will accept the order, but then we will cancel this reservation and return any paid deposit. The 10% discount is calculated automatically by the reservation system, all information and instructions for the payment of the deposit you will receive in the email you entered when ordering accommodation. The additional payment is payable on arrival at the reception. When ordering accommodation for 7 nights or more, you will receive 2 free nights from us - the system will not calculate this discount for you automatically, but the additional payment on arrival will be lower by this amount. The price includes bed linen, energy costs and recreation fees. There is also a swimming pool and other outdoor activities free of charge for accommodated guests. Check in from 2 pm, check out and handover of the cottage by 10 am. A refundable deposit of 500 CZK is collected during check in.
